

## **CORRECTION IN NAME AND INITIALS IN MARKLISTS AND CERTIFICATES**

Request for corrections in Name and Initials in the Certificate/Mark list should be submitted through Principal along with attested copy of SSLC/SSC/THSLC or equivalent. Hitherto there was no fee for correction. Since the system of publishing the Registration in the website has been introduced and that there is facility for corrections before the examination, it is decided to charge fine for the same in future towards the extra expense to Govt. by way of stationery, postage and additional work to Govt. staff. In case correction in name of any student has been effected through Notification in Kerala Govt. Gazette, corresponding correction will be done in only those Certificates and mark list issued after the date of that Notification.
