

CORRECTION IN MARKS OF PRACTICAL EXAMINATIONS.

Marks once reported by the Examiners are not corrected later. However, in case any variation in the marks are reported, correction will be effected only after furnishing the revised mark sheet along with the split up marks with explanation of the Examiners. Such requests are to be received through proper channel with the specific recommendation of the Head of Institution/Chief Superintendent. It is the discretion of the Joint Controller to decide whether an enquiry is to be done in this regard to ascertain the genuineness. Negligence or violation of procedures will be viewed seriously.
